#### INFORMATION DISCLOSURE STATEMENT

Attached hereto is a copy of the recently received European Search Report. Also attached are copies of those references not already of record.

US patent US 6,518,771 is the equivalent of DE 100 03 918.

The International Search Report is in English and clearly states the relevance of the cited references.

Attention is directed to 1194 OG 167 (7 January 1997) which states with reference to information submitted in an Information Disclosure Statements "Where the information listed is not in the English language, but was cited in a search report by a

foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English language version of the search report which indicates the degree of relevance found by the foreign office."
